“ My dear cousin, it's really a hard pill to swallow, But I know that you are in heaven with mommy, daddy and Grandmom Rosie. But through it all I know you have earned your wings. You gave unconditionally to those whom didn't have, and you touched the lives of so many people, especially children. There will NEVER EVER be another woman like you. I will miss you dearly, but I will carry you in my heart always. S. I. P my ANGEL
