“ Alice before cancer, in a few words: Vivacious, loquacious, creative. Afterwards, continuing to be one of the most personable people I have ever met. As a Christian sister and her friend, I will really miss her.

She told me "What do I have to fear? Someday I will just go to sleep and wake up in the presence of the Lord". Rest with Him, Alice.

“ So deeply saddened by your passing. Your silly jokes, your passion for the Detroit Tigers, your willingness to share, our 32-year friendship... all will be greatly missed. You will always be in my heart.

I will never forget you.
