“ I was was heartbroken to hear this news. Rita was such a sweetheart. I remember the last time we spoke. I told your mom to FaceTime while you were in the hospital. I told you to hold on so we could go out to eat and celebrate your recovery. There are always the special ones that stand out to us and you were definitely one.

“ I have been trying to get the words to put on here for you my best friend since I was 5. The strongest and most beautiful soul i know. I am going to forever miss our walks to sonic due to my late night cravings for milkshakes, fries, and cheeseburgers. Along with our walks to the mall and yelling at guys telling them we are not two dollar hoes we are ladies and if you want to talk to us you need to get out an talk to us like we are ladies. Most of the time they pulled off with attitudes and we just laughed about it. My favorite Bunny besides grandpa Kelly I will forever love you
