“ You were my Big Homie, You had such A Great Character, and you were so loving and Kind. I am so glad I got the chance to get to know you.... You weren't just my lil Cousin you were also like A lil brother to me. It's so sad the way you were treated unfairly at times and I would get so mad, protective ,and go into attack mode over you.

You were A breath of fresh air to be around, You kept me smiling even when I didn't want to.... I use to admire you for that. I just couldn't understand for the life of me how the world he do that ISHH...😭🌀🌀.

I mean through everything....Your illness, trough the pain, even trough all the family drama you just kept 🙄🙄🙄 and Also kept a positive attitude.

I remember when you lived with me and we would stay up damn near all night talking ,and laughing, #talkingInCode

#BigBlazingStyle. My Boyfriend at the time would get so mad, 😭😭😭 He wish he and I had that same Bond.

He didn't understand that the Bond we had was A Bond like no other. I must say though, as I sit here reminiscing on all the Good times we had, I'm hurting so much.

You called me about Three weeks ago and I missed the call. I tried to call you back but got no answer. At the time my messenger was not working properly. I even rode by your house a couple times but I was to busy to stop.

It's so crazy the Advice you use to give me.... Never get to busy for friends and family....Wow and I just found out today that your funeral is Saturday... This hurts Cuz 🥹🥹🥹. I will be alright though fam because I got to spend so much time with you, we made so many good Memories together and Many Marvelous Moments together. I just wish that others could have took the time out to get to know you as I did. You were Simply A Beautiful person, and an Extraordinary human being.

What's really crazy tough you use to tell me about what you would

want to happen if this moment was come around. Wow.... Guess what Cuz it's not worth it. God has you now and you can never be hurt again, and you know what I'll leave that up to Miss.Bee and my Girl Britt. 🙄👍😭.

God has Got his picks and out of all..... You, Grandma on bot sides, My Pops,My Two Aunties, Uncles and Bestie Step are truly missed by me the Most. God don't make no Mistakes I ❤️ you lil Cuz and Save me A Spot Next to you.

Love you lil Cuz and Now you can enjoy the Company of the Greats, Right where you belong.😭😭🙄🙄🙄🙄🙄🙄
