“ *The day you answered God's call, left an empty space, my world came crashing down, I couldn't breathe...couldn't talk...I felt so numb, I couldn't walk.*

You have given me the knowledge to succeed in the world today, you helped me to see things I should, you're loving, caring, and understanding made me what I am today. Thank you for everything you have done for me, please know that the things that you have taught me and the help and encouragement you've always given me, is something that will be with me always.

Thank you for walking me down the aisle on my wedding day, this is a day that I will truly treasure because you were there holding my hand and smiling from ear to ear, thank you for being the kind of Dad I could always count on and an AWESOME Pop-Pop to my kids.

Our God knows best and you are with Him right now, I will love you always and forever....Charisse Elliott

And now at this time the angels have come, as we say goodbye, with a hug and a kiss, on this day, the memories will never go away,
