“ *I was deeply saddened to hear of the passing of Ms. Barbara Mosley who was a very dear friend and colleague for many years as we were both employed with the same organization, but in different states. It was always a pleasure to make my annual monitoring visits to her Georgia Regional) offices as she always made me feel welcome. My thoughts and prayers are with the entire Mosley family during this difficult time. May you find some comfort in the words of the Gospel song: "Earth has no sorrow that Heaven can't heal"*

We will all miss Barbara; however, Heaven has gained another Angel.
