Havnt seen cousin Calvin in a long time. We grew up together for as long as I can remember. We were all thick as thieves. We had so much fun, you took care of me, protected me and was even right about some things. I was your other little sister. I'm especially saddened because I never got to say thank you and tell you I love you. Thank you and know that I will always love you and miss you. Prayers up for your family and friends.
