“ *Peace and Blessings-Sending My Condolences and Love To Family and Friends:*

Our minds often struggle to find the right words that will express how we feel about the loss of a loved one, but the heart will always allow us to speak its truth. Carolyn was and will always be a ray of sunshine, such a beautiful person, such a beautiful soul. I have high school memories of us in class and being involved in various clubs and activities. I would always tell her how much I admired her beautiful Afro back in the day and even tried to get mine to look like hers...I was no competition (smile).. I truly want you to know that I am praying for you, knowing that God's Grace will always be your guide.

“ *Carolyn was a great classmate and friend.
She would have you laughing all the time and
when you needed someone to talk to, she
was always there to listen. She had a lot of
love for her family and others. I can
remember cheering with Carolyn at prep rallies and games at
school. She was very athletic in sports. The most loving memory is
that she and our friend (Betty Canty) named my daughter
(Cassandra) and the "C" was for Carolyn and my daughter's middle
name (Bonita) was for Betty. Rest in peace, my friend and I will
always love you!*

“ *Remarko and Rashad, I am so sorry for the lost of your mother and my dear friend. We have been friends since elementary school, we were co-workers and we both loved to watch hoops. But the most important thing that we shared was family. At one point I think that I became a member of your family through Mrs. Anna Lou. Each and every time we ended a call, we always said "I love you".*

“ Dear Marko, Rashad & Family:

Your Mom was really special. I first met her at your SHS basketball games. She was a proud Mom, a true fan, and loved to see her sons play! She could not have been more supportive and you both did her proud! I followed your careers through many conversations with her.

Rashad, I cherish a picture I have of you and me after a game in Savannah, Although blue and white were my colors of choice, I surprised you by wearing red shoes in support of your decision to go to UGA and become a Georgia Bulldog.

Keep the good and happy memories of your Mom in your hearts always. They will bring tears at times, but you will always have joy as you remember the good times you shared.

With much love to you and your families, Helen Jackie Yates
