“ Dear Aunty,

*Hey. I hope you are doing well. I miss you. I have been getting straight A's and I am going after valedictorian in my 8th grade class. I have been working so hard to achieve all of my goals. Just like you taught me. If you remember, my birthday is in 2 weeks. I got my period on October 18. I have been making more friends in my new class in 8A. I have been having so much fun, but I still miss Georgia. I haven't talked to anyone from GA since I left, and I haven't looked back. Even though I miss living down there sometimes, I'm so happy I moved up here. Of course, I hate the circumstances in which I did. Tyraa is doing okay. Still the same stubborn annoying Tyraa. But I love her for it. I haven't talked to Mone since I left. He tried to contact us when we first came up here, but stopped after a while. My new friends are: Tracy, Ja'Meer, Zaylee, Azaria, Madiah, Marguerite, Krishna, Ayanna, Zy'Kai, Zena, Aliya, Indigo, Landon, Luis, Sheldon, Rashad, etc. Almost the whole 8th grade. Tyraa got her first boyfriend in 6th grade. I'm going to the Oral Surgeon on Monday to see about my teeth. I never show anyone how I'm hurting on the inside, like you said. Even though I really miss you, I can't let that interfere with my future. I keep you close to my heart and keep it pushing. Even though some of my friends get on my nerves, I still put up with them. I love them. I'm turning 14 and I went to the circus and I'm going to the skating rink. Tyraa is turning 12. I still can't believe you are gone. I wish I could see you again. I miss you so much. I'm sorry for how things ended. I decided to write about you in my grief essay. I'm so glad you get to watch over me from Heaven. I love you.*
