“ *Ms. Cleo I can't begin to tell or explain my feelings right now. I still can't believe my best friend is gone. I know that's selfish of me to want you here but God had other plans. Just know there will never be nothing or no one to fill the void I have in my heart. I know your smiling down at me and Joan and Rick for doing as you would do send you home in style. Love you forever and always.*
