“ *The news really struck me that Mr. Daniel Lee had passed. I found myself shedding some tears as I told the news to a few other folks that hadn't heard the news. Some people you can't seem to imagine that one day they'll be gone. He was one of them! I give my sympathies and prayers to the Lee family. Daniel Lee was a good friend and a valued customer of Brady's Auto CleanUp through the years. We enjoyed hearing him philosophize about how a man had to get up out of bed EARLY in the morning to be successful and about how his dad, R.L. Lee, had trained him well how to work hard leading to his success in modern times. I bought an old 1974 Lincoln Continental from him back in 1997, and I was proud to own it just because he, "Daniel Lee", had been the original owner. So long, Mr. Lee! You will really be missed! I still can't come to grips that you are gone!*

To The Lee Family . My name is Bob White I own G.R.C. Inc in Statesboro . I have had past business dealings with Danial for many years . I was sad to hear of his passing . He and i made friends pretty quick after i met him. He was always eager to give a fair price on his work and would always throw in some free advice that proved true many times in our business . I will truly miss him and my prayers are with the Lee family at this time. May the Good Lord hold you all close to Him .

“ Daniel did septic tank work for me on two different occasions and I came to really think a lot of him. He was a man of great character and a friend to many. We used to laugh at each other because we thought so much alike with our "commom sense country boy approach" way of doing things.
