“ *The time has come for me to go, to leave and say goodbye, I made a billion memories, I lived a wondrous life, I know you are not ready for me to leave your side, to go beyond the clouds and stars to find my place with God. I hope that you remember how your love has lifted me. All the places I have journeyed to my love will always be. If you think of all the things in life we did not get to say, Remember I am everywhere feel free to call my name.*
