“ *My love and prayers go out to the Boyd family. I worked with Donta at Johnson Bryce in Memphis TN. He was a funny guy that loved his wife and family. The memory that sticks out the most was when his wife brought him some lunch at work and it seemed like he was still waving at her through the warehouse door 5 minutes after she left. He really loved her and you always new that. I always teased him about that moment. We love yuo Donta and my prayers are with the Boyd Family.....*
