“ *My beautiful auntie, 13 years later, I still think about you. You were my best friend and my aunt in one. I'll never forget how you went all out on my birthday, you got me so many gifts. I was young when your life was cut short but I remember some things. I wish I could hear your voice, your laugh. I wish I could see your beautiful smile. You left when I was 7, I am now about to turn 20 in November of this year. I graduated high school with honors, I am now in college pursuing a bachelor's of nursing in science. I know you would be so proud of me. You would be screaming your lungs out at my graduation, bombarding me with gifts. Oh how I miss you, I hope to see you again. I love you, Rest in Heaven*
