“ Aunt Dot was a jewel amongst the rarest of jewels. There are many, many attributes to describe the type of person she was. She was a loving wife to my uncle David and a treasure to this family. I will always remember the love you shared with each other. Aunt Dot always greeted you with that beautiful smile of hers. She was indeed special. Words cannot describe the sorrow that I feel. She will certainly be missed and I will hold her in my heart forever. Uncle David please know that our deepest sympathies go out to you and your family. God is able and He will take care of you...

Love always and forever
