“ I shall always have great memories of Eliza. We met in the late 1980's and it has been nothing short of BLESSINGS. I found out that we were so very much alike. WE loved our families, but when we realize that ones do not want to be family we knew how to deal with the, too. Eliza remembered my father (I did not) and she shared a lot of information with me about him. She loved God and her family. I know for real that we loved each other. I will miss her, but I am happy that she made preparations to be eternally with the Lord.
