“ *We are so sorry that we cannot be with you on "Nibs" homegoing. We find joy in remembering her as we used to see her in church singing in the choir and reading her poems on special occasions. She was a precious person who always had something good to say about everything and everybody. Just a calm and loving person. She will be missed at Little Bethel and in the Brooklet/Statesboro Community where we all grew up. May God Bless and strengthen her children and family as you release her back to our Lord and Savior Jesus Christ.*
