“ *This is by far the hardest thing I've ever had to deal with. That woman meant the world to me and I feel so lost without her here. It's been the 2 of us most of my life. We had each other's back. She showed me what unconditional love was. She never turned her back on me no matter what I did. I can write a book about the way I feel but I wont. Mom just know that your son is OK my love and I made a promise to you that I'm going to keep. You did an excellent job raising me on your own. You were my mother and father and you made sure I had what I needed and not what I wanted. The love you showed me is the same love I'm giving to my daughter, your granddaughter!!!! Your work here is done my sweet lady, I got it from here ok!!! Sleep well and know that I will be ok. Toya will make sure of that. I love you more than you'll ever know. Tell Aunt Bertha, grandma and granddad I said I love them as well. You'll forever live on through me.... Talk to you later E.J.*
