“ As long as the Lord keeps my mind, Bonnie will live forever. Love's GREATEST gift is MEMORY. Bonnie introduced me to parts of south Georgia that I never knew existed. Brooklet was like home to me. We'd go from church to church as she sang on differing programs/occasions. We took college classes together, she supported me at bball games at Southern and she and Frankie came to Charleston to buy a vehicle or two (lol). Bonnie lived as the Bible tells us to...she simply LOVED!!!!!!!  
Rest well my friend, I will see you in the morning!

*Our fondest memories as an administrator were the elaborate lunches that she would prepare and provide for her team at Statesboro High School. She prepared everything with love.*

“ *Dr. Gamble-Hilton (Mrs. Gamble, at the time) was my 7th grade language arts teacher and to this day remains one of the most thoughtful, influential teachers I've ever had. Middle school was a difficult time for me and the care and attention Mrs. Gamble paid to me was one of the kindest gestures I've ever experienced. I will never forget her smile, kindness, and caring spirit. Her legacy will live on. She will be remembered. I hope that her family can find comfort and peace during this time.*
