“ Ms. Ever Lone, my heart sank when I heard the news of your passing. I am so grateful that we spoke 2 weeks prior. I told you I was coming to see you. I came but the Lord called you home before we were able to see one another. I'm told you were very sick and I think perhaps the Lord did not want me to remember you that way. I have pictures of you fishing in my pond and ohhhh the precious memories within my minds eye of the many visits you paid me.

God brought you into my path during a time of great pain and our connection was instant. I hold that friendship in a special place of my heart. You, my dear friend, are among many loved ones and stand in the presence of our Lord. I will see you again. I find great joy in that promise. You continue to be an inspiration to me because that kind of friendship and love never leaves. Rest in peace, my friend, and know you are never out of my thoughts until we meet again. I love you, Ms. Ever Lone.
