“ I have a million and one stories to share about you. I never imagined life without you Mookie! The love I have for you cannot be duplicated with no one. I hurt sooooo bad and miss you so much!!! I found myself not forgetting your favorite pecan pie for Saturday and realized you wouldn't be there to eat it. As children we shared everything, as teenagers you crushed on all my friends, as adults you showed me love in a way only our family understood. Our bond will never be broken and your sister She-ra will see you again He-Man. Your sister loves you until the day after forever!!!!????? Nekey C. Perkins

“ I am so saddened to hear this. Frank was so much help to Rebecca's Cafe when we served lunches at Luetta Moore Center. I loved his deep voice. He will be missed.
