“ Gail was a very sweet and respectful woman. She was a lifesaver for me many & plenty of times, especially when I had my daughter 15 years ago. Gail was a great cook, cleaner and neat/organized person. I married into her family and have known her for 30 plus years. She has always treated me like blood kin. Gail will be greatly missed by all who came in contact with her. RIP Gail

“ To my family and friends Gail was an angel that loved her family and Friends she is truly going to be missed by many, as my first cousin we didn't see each other that much, but when we did it was like old times spending time with the family joking and getting our drink on.
