“ Uncle Glen, words can't express the pain that I feel since the morning you left us. You were more than an uncle to me and i appreciate every moment that we talked and laughed together. You were a loving husband, father, brother, uncle and friend. I am so glad that I always told you that I love you because I never thought you would be gone so soon. I love and miss you so much but I thank God that you're pain free now and that what gives me peace, knowing you don't have any more pain.....I'm not gonna say that I won't weep, because that will be a lie.....You will forever be in my heart, R.I.P.....I love you and always will!!

*Your loving niece, Stacey Irvin Lockhart*
