“ *My thoughts and prayers goes out to the Sparrow family, especially to his lovely and devoted wife Mrs. Linda Sparrow, I remember when he announced that they were going to be married and how happy we all were.*

As a young teen, I remember Mr. Sparrow as a kind-spirited, well mannered person and was respectful to everyone. I will always remember that Mr. Sparrow discovered my talent for music, the piano, and was very impressed. He asked my grandfather could I practice with the band sometimes just filling in. He created and put together his own band called "The Sparrow Tones" which consisted of musicians from Fort Stewart, and great talents from Pembroke.

May God welcome Mr. Henry Sparrow into his kingdom. Amen, Amen, Amen.
