“ I would like to give my heartfelt sympathy to the Deloach family in this dark hour on the losing of Mrs. Irene Deloach. I am sure she will be missed. I will always remember her smile that she would greet me with and all else who knew her. Quite often I would see her on Saturday mornings going to yard sales, and she would always have kind words to say while asking about how my family was doing. She really loved her family, and her family really treasured her.
