“ You came into my life at the age of 15 and have been there ever since. You never missed a birthday and I still have every card you gave to me. You were so strong and your fight was long and hard, but I know God was ready for you. So I find comfort in knowing that you are no longer suffering and you are finally at peace. You were the best stepfather a girl could ever want. You will always be in my heart and on my mind. I love you daddy. Love you always Meka
