“ Maurice Maurice I love and miss you and this is coming from a daughter . Growing up with you in my life was perfect . You showed me new things you treated me no different from your own although you staying with us and raising us may have been a big step but you never complained you did it because you loved us and I don't blame you . We had our problems but it was nothing serious you would always say Willicia stop that stop acting like that and I'll just go in my room and I'll be back talking to you in like the next 10mins. I never heard you tell me no at all . You were a father to all of us picked us up from school times you got off work early you would buy us things give us money when we needed it we looked out for you as much as you did for us lord I wish this was a dream it seem so unreal . My heart is broken we love you Maurice and we know you love us to from the kids . Justice , Keke , Me , Fatboy , Jigga, and Jaylin 💔💔💔
