“ I was fortunate to work with Jeanette at SE Bulloch Middle School. We immediately clicked and became friends. No matter where I would see her, we had to talk and talk as we shared memories and laughter. It was hard to walk away as we would start talking and laughing again after many times saying, "well, I got to go". This was a shock to me as I still find it hard to accept. I will miss her dearly. To the family, "Peace Be Still. May God give you the consolation you need."
