“ A gift to grandma: by your great great granddaughter Brylee. Grandmas aren't just grandmas they are mothers to.. they sit there and laugh but they will fuss at you to... grandmas make our boobos ok with the magical kiss but don't get in trouble because grandmas don't play. Grandmas override what mommy saids and when we get mad we l'm calling grandma anyway. I'm only 11 and I know what to do but I hate I can't call grandma to tell on my mommy to.. grandma l'm going to miss you with all my heart. Take your rest because I know we are never apart. I know that you are smiling and looking down on your rugrats but trust me grandma l'll handle all of that.. love Brylee aka butter bean. love you grandma...
