“ *My Brother-in Law! We loved Johnny so much. He was such a good guy with an enormous sense of humor and when he laughed??? Oh my GOD, it was contagious. His niece and nephew loved him so much and when he would sometimes babysit the kids?? The kids always would say: when Uncle Johnny watching us again? They would have a ball. Always a loving and patient brother. We have so, so many fond memories of Johnny in our lives back in Newark, New Jersey! The good ole days! A beautiful and peaceful soul, I never saw anything different. Miss you brother John. We did do a little facetime with you, which was priceless. Until we see you on the other side my dear brother, stay as you are....*
