“ Kathy has been a life long true blue sister and friend. I met Kathy in 1989 at the apartment pool and it went zero to 50 from there in and out of the years of our youth and on through the phone lines unto old. Kathy was a very important unique wise warm warrior woman and I have been blessed with her presence and our many years of love and memories! If you kids are reading this I hope you remember me and pray that you are all doing well! 806-548-5416
