“ *The last time I heard from my dear freind was a month from the time of her death and she texted me to let me know that I was her freind and a sister to her. We both didn't know that it would be the last time to hear from each other. I made a statement that said, if I go before, I wanted her to speak over me, but God already had His plans ( Predestined is the word). The Lord said in His Word, that your ways are not my ways, and my thoughts are not yours. I will for ever remember MY friend Lemie. My little sister. May God keep Her in Her eternal rest is My prayer.*
