“ Moot and Peaches were family to me and my mom. We were neighbors for many years. I could call on Peaches for anything and he would be there. We fished together, worked on stuff together, and he taught me a lot. They don't come no better than him. A great humble man gone but not forgotten. I know that he loved the Lord and that he is with Jesus now. I will truly miss him until I see him again...

“ Giving first honor to our Lord and Savior Jesus Christ, my family and I are sending condolences to the Raymond family. I saw Peaches 2 months ago for the first time in years. We were classmates at Edward Johnson Elementary School in Brooklet in the 60's. He was always quiet and reserved and didn't get into much trouble. We shared a laugh and memories about that. Who would've thought that would be the last time my family and I would see him as he was with us for my brothers memorial in Brooklet. Family...hold on to God's unchanging hands. May He give you peace & strength as He welcome "Peaches" home.

“ I would like to praise the life of Peaches or what i have always called him " POPS". He and his late wife have been second parents to me as long as I can remember. Their family has taken me in and been there in times of need throughout my childhood and adult life. Very kind and compassionate person that would give you the shirt off his back and do anything in the world for you but would also tell you about yourself if you stepped out of line. Pops will surely be missed . Many can learn from the legacy they are leaving behind. I want to pray for my brothers and sisters as well as the rest of the family as we say our goodbye's to a great man. I thank god I have enjoyed so many memories with him and his family and hope you are resting high on that mountain my friend.
