“ All my life I've known my cousin Mattie, her Sisters and her Brothers. My cousin Mattie will never know how much she will be missed by all of us. But I believe she is looking down on us smiling saying " I'm Alright Now, I never felt better, and Look! here is Nora." For all of her family that she is leaving to grieve, I send my most heart felt condolences. Although it is so easily said and hard to do, but Be Strong. God is close especially at this time and will not give you more than you can bear. We all have our memories in one way or another, so lets remember the good times, when she was well, when she was happy, when she was laughing and especially when she was smiling. My love to the family those far away and those close by.

“ *To the Family of Ms. Mattie Williams*

Greetings from New Jersey, I'm sorry I was unable to be there with you today, to Celebrate the life of the wonderful God fearing Woman. Ms. Mattie Williams.

She was a second Mother to me, and I was her son. Ms. Mattie was a very loving and caring person. I remember her being there for me on many occasions. I would stay with her and Nora for weeks at a time to be the protector of the house, while her husband went off to work. I will always remember the good times God has given us to spend with together, and I thank Him for those times.

I say to the Grandchildren Adrienne, Allyson, and Charles Jr. I'm so sorry for your loss. Remember the good times. In your midnight hour remember that God is with you. Look to God for all your help.

*You all are in my prayers. God Bless & Keep You.
Love, Apostle Charlie Odom & Family.*

“ When, I attended Georgia Southern University ,I knew Cousin Mattie was near . She was a wonderful lady , her love for her family was the warmth I got when I stayed in Statesboro. I know, I was blessed to have her as a cousin therefore, I know my mother and all her nieces and nephews enjoyed this gift God gave to us.
