*There will never be another Mr. MP!!! I want to thank you for always being there for my family and loving my mom even on some dark days and believing in her to be a better person!! And even when I moved her away you were there!! You will never be forgotten But always love!! And we will do our best to make sure Ashley knows that she's still our little sister! Love you dearly!*

*I wondered why mom kept telling me she was having dreams about you, lately. A week before you died, she said you came to her again in a dream. She said, "He was humble and everything was like it was before. He sat down before me and I was happy to see him. I rubbed his face and told him everything was okay." So, it seems you came by to tell her your goodbye. There is peace just as it should be. From Katherine, Chris, Renee, Gloria and Lois, we say: NP, Daddy- you left us too soon. May God bless all those who loved you. You will be missed.*
