“ We shared the same name. We shared an uncle who taught us how to work. We grew up in the Tabaco fields. She was the sweetest, kindness and just a great person to be around. Heaven has an angel that will be missed here on earth. Donelle and family we will keep you all in our prayers. To God be the Glory for such a blessed earthy life as Trish Ann's.

“ I was so sad when I saw Patricia's obituary on line. She was one of my 'School Babies'. I was so proud of her. She was my nurse in the ER and in Day Surgery. It always calmed me to know that she would be there with me. My heart aches for you Donell and for the rest of the family. May God give you comfort in the days to come and Bless you with wonderful memories. My prayers are with you. I Loved her and I love her family.
