“ A tribute to my Farther-N- Law:

Pops, words can't express the gratitude and blessings that I have for you and your family. I am truly blessed to having married into your family and it starts with you as the head. You never treated me like a son-n-law but like a son and I am truly grateful. I admired you even more for the impact that you have had on my kids and all your grandkids whom looked up to you. You always had words of wisdom, provided guidance, and one of their biggest fans for their accomplishments. They are very fortunate to have had you in their lives; and rest assured they will always hear your voice encouraging and pushing them for greater successes.

Pops, you have touched many of lives and planted many of seeds of positivity with many generations. You have been a soldier for the betterment of all you have encountered.

We have a saying in the Army that I once served; with the passing of a soldier, "Old soldiers never Die, They just fade away". You have faded from our daily presences, but never from our hearts and minds.

Rest in Peace my friend, your work here is done, God bless you and the family.

One Love.

Your Son N Law.

“ Michelle,
I remember when you all lived in Atlanta and your Dad would help
with the kids (Gabby, Mikyle and little Malia). How they raved about
his Curried Chicken but even more important how he invested time
in his grand children. He encouraged them to be their absolute best.
How beautiful and powerful.

I pray that God give the entire family peace and endless fond
memories to reflect on during this difficult time.
