“ Just want to give my deepest condolences to my family. I didnt know we were family until the day I met Ms. Ruby. I was assigned to her at my work as her care aide for two weeks and within those two weeks I got the chance to know her pretty well. She asked me who was my family and once I mention my Wilson side her eyes lit up and she said you family girl!!! At that point I was very surprised but yet glad to always know you never know who you will meet or take care of it just may be your own family. Rest In Peace Ms. Ruby one sweet soul I have met along the way.
