“ my name is *Brandon Bell*, one of *Shirley Bell's* grandchildren, what I will remember about her the most, is every time I became mentally distraught, and could not make my own decisions, when at the point of mental break down, I would call her and every time I called her, no matter the situatuon or circumstances she always had the answer she would end the conversation with("you just say Satan I bind you in the name of Jesus" I love you baby) "Well mama,(that's what I call her) every chance I get I will be binding satan, I love you always and forever
