“ This was literally my favorite person of all! She was my rock!! When there was no one I could talk to, I could always go to her! She was the BEST cook I ever knew!! I am beyond sad that you had to leave us, but I know you are no longer suffering. Knowing that you will never get to see me get married, have kids, or walk across that stage with my diploma. I know you will always be here in spirit guiding me through life!

Nanny I love you to the moon and back!!

Love, ELIJAH BENIMANWILLIAMS (Your oldest grandson)

Until we meet again!
