“ *To Sydney  
When we were kids we would walk from  
school, either J. P. Bryant or William James  
coming from Marvin Pittman. You would  
always sing, and quite well at that time. we  
would tease each other and look forward to the next day walking  
with You, Myoishi, my late sister and myself. Rest well my friend  
and continue to sing those beautiful melodies on the other side.*
