“ I have been knowing Tracy for over 30 years and our friendship never changed. She was the kind of friend that every lady needs in their life. Secrets were safe with her and she gave good advise without judgment. My children loved her so much. Tracy could do hair with her eyes closed. She made you feel so appreciated and she always gave you hugs and we would say "I love you" to each other before we get off the phone or leave from one another. We had some good and fun times that will always be in my heart. Miss you my friend.
