“ God shared Virgil with us for a purpose. We may not fully understand why he was taken from us at this time, nor exactly how how great was his impact upon our lives while he was with us, but we miss him already, and will never forget his loving kindness. Perhaps we will come to share with others the things Virgil taught us through example.

May God comfort those that are grieving the loss of his presence. May you rest in the knowledge that he is in a much better place, and his suffering and pain are completely healed forever more. He now is present with our Lord and Savior Jesus Christ.

Love you all, Ed Johnson Portal, GA
