ME

“ Aloha,
I knew wanda and her husband. We shared many laughs together at work. This came to me as a surprise. She was one of the people that I saw before I moved on brigss. Here in Hawaii, Aloha means hello, love, and goodbye. Clayton, when I met you and your wife, it was no doubt on great terms. As we all got to know each other over the years, you both were always full of love. Even when you left us for law enforcement and we said goodbye, I had always asked her about you. She always had a smile on her face and was very welcoming.

I am sorry I never got say good bye to her but she will always be a part of my great memories. Aloha Wanda.

Sincerely, Michael
