“ You will forever be missed in the lives of so many. I cannot believe that it has been 6 months already. I miss the phone calls I use to get from you about your son and when you were concerned for him. We weren't super close, but in the time that I knew you I considered you family, as I know you did me. I will never forget the last conversation we had, and sometimes I reread the past texts because it still doesn't feel real. I cannot believe it. We lost a great father, friend and coach on March 1st, but I know you're smiling down on us and that William, Xavier, Montrella and Shaquana will make you the proud father you always were. Your family will always be my family. ❤️

“ I never had the pleasure of meeting you, sir, but you sound like a fine gentlemen...the type of man the world needs more of. I had family in the other vehicle and while I grieve for that loss, my heart is also hurting for your family. I pray for their strength and comfort, and that your soul is at peace in Heaven. God Bless.

“ *William, Xavier, and family,
What a terrible loss for you- and for us all. If the world was full of
William Goldens, it would be a much better place. He was a friend
to all, and a mentor to any child he came in contact with - including
mine. I had a world of respect and admiration for him. He was truly
one of the good guys!
Love to all.*

“Wow, my heart and prayers goes out to William "Will" Golden family for his loss. I met Will in 2007 while managing one of the dining facilities on Fort Stewart. He use to deliver the bread to the Dfac's a long with his son or sons. Will was a great person and I have always admired him for being a single parent especially as a man and a father, taking care of his young men. I just want you young men to know that you have to keep pushing forward in life because that's what Will cared about the most. He wanted you guys to be successful in life and he definitely reared you up to be responsible young men so you can be prepared to take care of yourselves and future family. Keep your heads up and just know that his spirit will still be watching over you and know to call on Jesus when it seem that you cannot go forward. I pray that God will keep, carry, and comfort you during these trying times. God Bless, Mrs. Sandra Kearney and Family, Hinesville, GA
