“ Willie Mae Bush...

I will miss you Mama, you took me in your heart as your daughter showed me nothing but love . Nichol and George I love you so much!! Know always that she was so proud, and loved you both so much!! Never have any doubt of that. We laughed so many times at things she did and said. On my last visit in July, mama made me laugh so hard when I entered her hospital room and she said .I know you did not come in this room without any chicken for me and I happy turned around and went and got her some chicken and a pepsi cola. She made it clear and I spoiled her. And would do it all over again !!!!!
