“ They say time heals all wounds but this is a big pill to swallow. It's so unbelievable and unbearable that you are gone so soon, I'm sitting here trying to put pieces together of what happened to you 💔😭. I'm so heartbroken because we were more like sister instead of niece and aunt. I don't know if this pain I feel will ever subside and I will continually keep your memory alive and I thank God for giving us this opportunity to share and love unconditionally. I love and will miss you dearly 💔. But I know that one day we'll meet again. I remember when we was at your house playing and we backed up and went through the wall, oh how we laughed 😂🌀 but we had great fun 😊.

Greatly missing you,  
Your Aunt!
